

# Building Automation, Smart Home, BMS, BIM

## Ethernet, RS-485/422, CAN, WiFi, RF

- \* Smart home, flat, apartment
- \* Hotel Apart/Condo hotel automation
- \* Office, Cooworking automation
- \* Shopping centers automation
- \* Access control, drives control, security
- \* Building Management System (BMS)
- \* BMS systems integrations
- \* Modbus, BACNet, MQTT, TCP/IP, UDP
- \* Building Information Modeling (BIM)
- \* Heating, ligthing, dimming control
